

MEETING AGENDA

ECE 597 Capstone Project

Meeting #: 2

Date: Tuesday, 9 June

Time: 2:00pm – 2:50pm

Location / Platform: In-person at Library (room 113a)

Team Lead: Ali

Recorder: Bowen

Meeting Objectives:

(Briefly state what you aim to accomplish by the end of this meeting.)

1. Discuss any interesting / good-to-know findings from the team
2. Discuss how to begin data pre-processing and assign roles.
3. Create a general project outline with estimated milestones.

Items Carried Forward from Last Meeting:

(List any unresolved agenda items or incomplete action items from the previous meeting.)

- ☐ Conducting data exploration
- ☐ Storing the datasets online in Google Collab

Materials / Preparation Required:

(List anything attendees should review or bring to the meeting.)

- ☐ The recorder (Bowen) should bring a copy of the ece597_meetingMinutes template.

Agenda Items:

No.	Topic	Lead	Time allotted
1	Discussing any interesting findings	Open discussion	15 minutes
2	Pre-processing pipeline and role assignment	Open discussion	15 minutes
3	Project outline and general milestones	Open discussion	15 minutes
4	Closing Q & A	Open discussion	5 minutes

Total Estimated Meeting Time: 50 minutes

Note: Agenda should be distributed to all team members at least 24 hours before the meeting. Please review all items in advance.
